

# GOING BEYOND

To bring out your extraordinary

---

2023-2024 Viewbook

A portrait of Hilary Lenihan, a woman with long blonde hair, smiling. The image is overlaid with a blue gradient. A dotted line is positioned above the quote.

**"My education at NBCC has opened so many doors for me. It gave me a solid foundation to enter the workforce and the tools to build a successful future for myself. It ignited my passion for learning again, which hasn't dimmed since I graduated 10 years ago. If you're looking for an educational institute that will help you grow as an individual, NBCC is the place."**

**HILARY LENIHAN, OPERATIONS MANAGER**  
OFFICE ADMINISTRATION: BILINGUAL  
CLASS OF 2011

# WORK IS A HUGE PART OF OUR LIVES SHOULDN'T WE ENJOY IT?

Imagine waking up every day and doing exactly what you want to be doing. NBCC helps learners of all ages develop the skills to turn what they are passionate about into their dream career. We provide hands-on learning that's affordable for students and aligned with the hiring needs of industries in New Brunswick and beyond, so you'll be in-demand when you graduate.

At NBCC, we believe that education is for everyone, whether you're right out of high school, upgrading your current skills or retraining for a completely new career. With 90+ programs to explore, we can help you discover the path to earning a great living doing what you love.

College works! Keep reading to learn how NBCC can work for you.

# BECOMING AN NBCC STUDENT

## THIS COULD BE THE START OF SOMETHING GREAT.

With more than 90 programs, there are so many ways your career can go. That's exciting, but it can also be confusing and a bit intimidating trying to pick the right path and program. Start your journey by learning more about the different areas of study we cover. Once you have an area of interest, you can dive deeper into learning about the different programs within that area. From there you can narrow your options and make a choice, or you can speak to one of our advisors for some additional career counselling before making your choice.

Check out NBCC's Career Coach and discover in-demand careers and education based on your interests. [nbcc.ca/coach](https://nbcc.ca/coach)

# UNSURE WHERE TO START?

- **WHY NBCC** P. 4
- **HIGH SCHOOL STUDENTS AND RECENT GRADS** P. 7
- **ADULT LEARNERS** P. 8
- **INTERNATIONAL STUDENTS** P. 10
- **AREAS OF STUDY** P. 12
- **HOW TO APPLY** P. 22

## **QUESTIONS?**

We're always happy to talk about programs, financing, the application process or anything else you'd like to know more about. Our advising team is available to help you take the next steps at NBCC. Get in touch with us by contacting [collegeworks@nbcc.ca](mailto:collegeworks@nbcc.ca), [international@nbcc.ca](mailto:international@nbcc.ca) or visiting [nbcc.ca/recruitmentadvisors](https://nbcc.ca/recruitmentadvisors)

# WHY NBCC?

Whatever it is you want to do, chances are we have the program that's just right for you. NBCC is a learner-centred college that offers over 90 full-time regular programs and a number of additional specialized programs and part-time courses to help you build a career you'll love.

## WE'RE TRAINING FOR JOBS THAT ARE AVAILABLE

Between 2018-2027, there will be **120,000 JOB OPENINGS** in New Brunswick.<sup>1</sup> NBCC works with business and industry to ensure our grads have the skills they need to fill those jobs.

## MAKE MORE MONEY (SOONER)

The right education can help you EARN MORE. That's a fact. In a typical 40-year career, college graduates will earn an incremental \$420,000 compared to high school graduates without a post-secondary education.<sup>2</sup> As a government funded public college, we offer affordable tuition. Plus, you **GET TO THE WORKFORCE QUICKLY** (within as little as 12 weeks)!

## HANDS-ON LEARNING

Learning is best done by doing! Whether it's working on an automobile engine or laying out a building design, you'll do it hands-on in our labs, shops, and classes. Plus, **OVER 90%** of our programs include real-world experience through **ON-THE-JOB TRAINING**.

## OUR GRADUATES GET JOBS IN NEW BRUNSWICK

**90%** of the 2020 grad class were **EMPLOYED** within one year and of those students, **92%** were able to find **EMPLOYMENT HERE IN NB**.<sup>3</sup>

## SMALL CLASS SIZES

Our small class sizes allow us to focus on your learning in an environment where ideas are shared freely while building **MEANINGFUL CONNECTIONS** with your instructors and classmates. That means lots of personal attention **TO ENSURE YOU SUCCEED!**

## YOU'RE TAUGHT BY INDUSTRY PROFESSIONALS

Our instructors come from the industry they are teaching in. They care and want you to be **CAREER READY** in an industry that they are as passionate about as you are. They also stay connected and often know who is hiring.

# NBCC IS FOR EVERYONE

---

# HIGH SCHOOL STUDENTS OR RECENT GRADUATES

A college education will take you places. Whether it's straight into a fulfilling career or a stepping-stone to something else, NBCC will get you the skills and confidence you need to take on the world. With so many options, it is easy to feel overwhelmed. Don't worry, we're here to support your success.

## DEGREE PATHWAYS

### START UNIVERSITY HERE

Did you know you can start your bachelor's degree at NBCC and then transfer your credits to another school to complete it? That's a university transfer.

NBCC has multiple pathway agreements with universities across New Brunswick, Canada and all around the world that allow your NBCC diploma or certificate to be credited for up to two years of a four-year university degree.

Benefit from smaller class sizes, more hands-on learning, work practicums, and save over \$8,500 by starting your degree at NBCC.

## UPGRADING

Interested in a specific program, but missing an admission requirement? We offer the high school level courses you need to take the next step to becoming an NBCC student and pursuing your dream career.

Check out our [nbcc.ca/highschool](https://nbcc.ca/highschool) page for the most up to date list of available high school level courses.

## GRADE 11 STUDENTS

You can apply early. Grade 11 students will be eligible to apply for Fall 2024 on April 3, 2023. Why wait, wonder, and worry? Take the first step and secure your spot at NBCC.

## ENTRANCE SCHOLARSHIP

The New Brunswick Community College Foundation Inc. offers a \$1,000 scholarship per New Brunswick public high school for high school students graduating and accepted (or on a waitlist) in the current year at any NBCC campus. Apply by May 27, 2023 to be considered for the scholarship. For more information, visit [nbcc.ca/scholarships](https://nbcc.ca/scholarships)

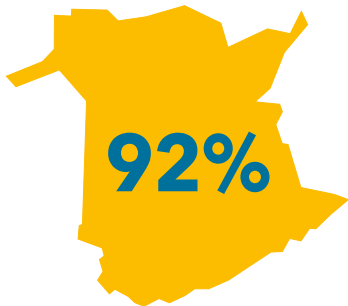

# ADULT LEARNERS

NBCC is a great choice for going back to school as an adult learner. In 2021/2022, 20% of NBCC students were between the ages of 22-26, and 37% were 27 years of age and older.<sup>1</sup> Many of our programs are either one or two years in length with some of our specialty programs being even shorter. A change in career or adding to your existing skillset to open new doors may be closer than you think.

**OF 2020 GRADUATES  
WERE WORKING WITHIN  
ONE-YEAR OF GRADUATING<sup>2</sup>**

**WERE WORKING  
IN NEW BRUNSWICK<sup>2</sup>**

## UPGRADING

Interested in a specific program, but missing an admission requirement? We offer high school level online courses so you can take the next step to becoming an NBCC student and pursuing your dream career.

Check out our [nbcc.ca/highschool](https://nbcc.ca/highschool) page for the most up to date list of available high school level courses.

## THERE'S MORE THAN ONE WAY TO LEARN

### PROFESSIONAL AND PART-TIME LEARNING

We offer adult learning options that suit your life, including a large selection of credit and non-credit courses that have been designed with flexibility in mind. Our courses cover a wide range of disciplines and interests to provide you with many options for furthering your career and personal growth.

For more information, visit [nbcc.ca/ppi](https://nbcc.ca/ppi)

.....

**"When I got my Block 1, at the age of 47, I was able to say it was one of the greatest achievements of my life. I am so grateful to NBCC for giving me the confidence to do it."**

.....

**ALEX MADSEN**  
PLUMBING  
CLASS OF 2019

## **NBCC SUPPORTS LIFE-LONG LEARNING**

Life experience matters! We know learning happens both inside and outside the classroom. You may still be eligible for admission if you are at least 21 years of age and do NOT meet admission requirements but have relevant industry experience. Plus, if you completed previous post-secondary courses or acquired related work experience, you may be eligible for credit transfer or formal recognition through our Recognition of Prior Learning program. For more information, visit [nbcc.ca/mature](https://nbcc.ca/mature)

## **ALREADY A COLLEGE OR UNIVERSITY GRAD?**

Build off your college diploma or university degree with one of our specialized post-graduate programs designed to help you enhance your current education and launch your dream career:

- Applied Energy Management
- Applied Manufacturing Methods
- Applied Studies Internship
- Human Resources Management
- Information Technology:
  - Business Analysis
- Information Technology:
  - Business and Advanced Analytics
- Information Technology: Cybersecurity
- Information Technology: Data Analytics
- International Business Management
- Supply Chain Management and Logistics

## **DID YOU KNOW?**

Starting in September isn't your only option. NBCC offers fall, winter and spring program starts.

# INTERNATIONAL STUDENTS

It's easy to feel at home in New Brunswick. With an affordable lifestyle, and easy access to Eastern Canada's urban centres, New Brunswick is fast becoming a destination of choice for international learners. Our province offers a distinct lifestyle, beautiful natural scenery, friendly people, a safe and secure environment, and an appreciation of the skills and experience of newcomers.

From friendly communities to lively urban centres, from majestic shorelines to mountain trails, New Brunswick has it all. We are home to world-class theatre, a lively music scene and unique cultural experiences. It's no surprise that many international students who come here to study, end up permanently calling New Brunswick home.

# INTERNATIONAL STUDENT STATISTICS:

INTERNATIONAL STUDENTS IN 2021/2022<sup>1</sup>

DIFFERENT COUNTRIES IN 2021/2022<sup>1</sup>

OF INTERNATIONAL STUDENTS INDICATED THAT NBCC IS A WELCOMING PLACE FOR STUDENTS TO LEARN<sup>2</sup>

## IMMIGRATION

If you are considering becoming a permanent resident in New Brunswick or elsewhere in Canada, there are many potential immigration classes that may be suitable to international graduates in Canada with the right combination of language skills, education, and experience. For more information, visit [nbcc.ca/immigration](https://nbcc.ca/immigration)

## ENGLISH LANGUAGE REQUIREMENTS

We want you to be well positioned for success and to participate in all NBCC educational activities. That's why all international applicants must demonstrate adequate academic English proficiency. NBCC may request the evidence of English proficiency on a recognized linguistic test or successful completion of a recognized pathway program.

For more information, visit

[nbcc.ca/admissions/language-requirements](https://nbcc.ca/admissions/language-requirements)

## GET TO KNOW US BETTER

Join our International Education Team for a webinar entirely dedicated to answering your questions about becoming an international NBCC student. You can also sign up for one of our information sessions that will provide you with all the information you need about navigating the Canadian immigration system. We know you're making one of the most important decisions of your life, and we're here to support you.

For more information on our webinars, please visit

[nbcc.ca/visit-us](https://nbcc.ca/visit-us)

# OUR AREAS OF STUDY

NBCC is a learner-centred college that offers over 90 full-time regular programs and a number of additional specialized programs and part-time courses to help you build a career you'll love.

Many of the programs have a practicum or co-op component so you can gain the on-the-job exposure you need to tackle exciting projects. Many programs within the trades lead to apprenticeship and Red Seal certification. And, with our agreements with several universities, almost all of our diploma programs count as two years toward a four-year university degree if you wish to further your education.

Visit [nbcc.ca/programs](https://nbcc.ca/programs) for program details and admission requirements.

# SCHOOL OF ARTS, COMMUNITY AND PROTECTIVE SERVICES

The School of Arts, Community and Protective Services offers programs for people interested in careers in creative arts, as well as programs for individuals with a passion for helping people in their community. You'll learn from experienced instructors who have been where you are and built successful careers in their fields. If you want to make your mark in the creative world, or the world of social sciences, our programs will get you job ready and give you the skills to excel in your chosen career.

- Information Technology: Web and Mobile Application Development

# SCHOOL OF TRADES

The School of Trades is the centre for training in many designated skilled trades. Our school offers a wide variety of programs from construction and building to electrical, vehicle service and metals fabrication. You'll learn from expert faculty, and you'll gain practical hands-on experience in our shops and in the field.

## **BUILDING AND CONSTRUCTION**

- Carpentry
- HVAC: Sheet Metal Fabrication
- Refrigeration and Air Conditioning Technician
- Skilled Trades Techniques

## **ELECTRICAL AND PIPE TRADES**

- Electrical: Construction
- Electrical: Industrial
- Plumbing
- Steamfitting/Pipefitting

## **INDUSTRIAL AND MOBILE EQUIPMENT REPAIR**

- Agricultural Equipment Repair
- Heavy Equipment Service Technician
- Industrial Mechanics
- Marine Diesel Mechanics
- Mechanical Technician (Optional Co-op)
- Truck and Transport Service Technician

## **METALS PROCESSING**

- CNC Machining
- Machinist
- Metal Fabrication
- Welding
- Welding and Metal Fabrication

## **TRANSPORTATION**

- Auto Body and Collision Technician
- Automotive Service Technician
- Automotive Technology
- Motorcycle Repair

# SCHOOL OF PROFESSIONAL AND PART-TIME LEARNING (PPL)

The School of Professional and Part-Time Learning offers focused, yet flexible in-person and online program options designed to help people at all stages of life achieve their educational and professional goals.

## SPECIALIZED PROGRAMS

- Aquaculture Operations
- Applied Studies Internship
- Heavy Equipment Operator
- Mechanized Forest Equipment Operator
- Mig Welding Production
- Mobile Crane Operator
- Powerline Technician
- Firefighter

# THIS IS YOUR INVITATION TO GET TO KNOW US BETTER

Choosing a college is a big decision and getting the information you need is important. We've told you a lot about us but seeing is believing. We'd like to invite you to visit one of our campuses and get a firsthand view of NBCC life. We believe that once you get a taste of what it's like here, you'll be even more excited about what your future could hold. There are several ways to see what we're all about:

- Open House
- Discover NBCC information sessions
- Program specific webinars
- Book a personalized campus tour
- Book a virtual advising session

Find out more about upcoming tours and information sessions and booking your visit at [nbcc.ca/visit-us](https://nbcc.ca/visit-us)

# HOW MUCH DOES IT COST?

As a government-funded public college, if you live here, your tuition is subsidized by the province of New Brunswick. It's why our tuition fees are only \$3,380 per academic year for domestic students. If you're an international student, tuition is just \$9,468, one of the most affordable in all of Canada.

## TUITION AND FEES: DOMESTIC

- TUITION: **\$3,380**
- APPLICATION FEE: **\$50**
- TECHNOLOGY AND LEARNING RESOURCE FEE: **\$306**
- BOOKS, MATERIAL, CLOTHING: **\$1,850** (average)
- STUDENT UNION FEE: **\$110**
- HEALTH AND DENTAL INSURANCE FEE: **\$265**
- TOTAL: **\$5,961**

## TUITION AND FEES: INTERNATIONAL

- TUITION: **\$9,468**
- APPLICATION FEE: **\$100**
- TECHNOLOGY AND LEARNING RESOURCE FEE: **\$306**
- BOOKS, MATERIAL, CLOTHING: **\$1,850** (average)
- STUDENT UNION FEE: **\$110**
- HEALTH AND DENTAL INSURANCE FEE: **\$865**
- TOTAL: **\$12,699**

All fees are in \$ CAD. For more information, visit [nbcc.ca/tuition-fees](https://nbcc.ca/tuition-fees)

Rates based on 2022-2023 Academic year.  
All Tuition & Fees are subject to change at any time.

# READY TO APPLY TO NBCC?

## HERE'S HOW TO DO IT:

**1** Complete & submit your application.

**ONLINE** at [nbcc.ca/admissions](https://nbcc.ca/admissions)

**2** Pay the application fee.

**ONLINE** at [nbcc.ca/admissions](https://nbcc.ca/admissions)

\$50 for domestic applicants and \$100 for international applicants

**3** Submit any required documentation.

**ONLINE** at [nbcc.ca/admissions](https://nbcc.ca/admissions)

High school and/or post-secondary transcripts, visas or study permits, language documents, etc.

**IMPORTANT:** NBCC processes applications on a first-qualified, first-accepted basis. If you meet the program requirements and the program has openings, you will be admitted.

Apply early for your best chance at getting a seat in the program of your choice.

# I'M ACCEPTED, NOW WHAT?

## WOOHOO! CONGRATULATIONS ON YOUR ACCEPTANCE. HERE IS WHAT YOU NEED TO DO NEXT

First things first. Activate your Student Self-Service Account and confirm your seat by paying the confirmation fee. This will secure your seat.

If you are not a Canadian citizen or permanent resident of Canada, you will need a valid post-secondary study permit to attend NBCC for longer than six months. Apply as soon as you receive your letter of acceptance. The times needed to process your application may vary among visa offices.

Start budgeting and planning your finances. A college education is a smart investment, and it is never too early to start thinking about how you will pay for it. We've got a handy list of financial supports that are available to help. Check out [nbcc.ca/paying-for-college](https://nbcc.ca/paying-for-college)

Get the technology. NBCC is a connected learning environment. Make sure to check out your program technology requirements at [nbcc.ca/technology](https://nbcc.ca/technology)

Get to know us better. We look forward to you joining our community when classes start, but if you haven't visited us in person or through a virtual event yet, you should. Check out [nbcc.ca/visit-us](https://nbcc.ca/visit-us) and have a look at all the options.

For more tips on preparing for your first day of class, visit [nbcc.ca/accepted-students](https://nbcc.ca/accepted-students)

## SCHOLARSHIPS, BURSARIES AND AWARDS

Our student awards program provides financial support while recognizing the diversity and needs of our students and celebrating their achievements.

Through the NBCC Foundation and many generous donors, we are pleased to offer a number of opportunities for scholarships, bursaries and awards to our students. Awards may be specific to a campus or program and have different application criteria and deadlines.

For more information on scholarships and bursaries you may qualify for, please visit [nbcc.ca/scholarships](https://nbcc.ca/scholarships)

# WE'RE HERE FOR YOU

We want to ensure your experience as an NBCC student is everything you expect, and more. Our Student Success Team offers a range of support services to help you achieve success.

## **ACADEMIC COACHING AND LEARNER SERVICES**

Our staff work with students to develop comprehensive individual accommodation/learning plans and connect students to supports to reduce barriers to learning. Our Student Success Centers are equipped with assistive technology to support learning in many forms.

Find out more at [nbcc.ca/academic-coaching](https://nbcc.ca/academic-coaching)

## **INDIGENOUS STUDENTS**

NBCC promotes Indigenous student success by welcoming diversity and knowledge from surrounding First Nation communities and Indigenous people, including Elders. No matter which NBCC location you choose to attend, you'll enjoy a culturally rich environment where you can develop invaluable skills that contribute to the growth of your community.

Find out more at [nbcc.ca/indigenous](https://nbcc.ca/indigenous)

## **GET INSPIRED AND INVOLVED OUTSIDE THE CLASSROOM**

Your NBCC experience extends beyond the classroom. Each of our six campuses offer a variety of options for students to get involved both on campus and in our communities. Whether it's sports, social activities and events, student leadership or community volunteering, student life at NBCC is full of fun and fulfilling experiences.

## **STUDENT UNIONS**

Get involved with shaping the NBCC experience through your Local Campus Union (LCU) or the NBCC Student Union (NBCCSU). Each LCU provides leadership organizing and supporting extracurricular activities for students at their particular campus. You can also get involved with the NBCC Student Union (NBCCSU) on campus and/or provincially at intercollegiate events. Either way, you'll meet new people, have a voice in campus-related issues, and add leadership experience to your resume.

Find out more at [nbcc.ca/student-unions](https://nbcc.ca/student-unions)

## **ROBERTSON INSTITUTE FOR COMMUNITY LEADERSHIP**

Give back through community volunteering. You'll complete a course and volunteer in your community before graduation, developing the important skills employers value such as teamwork, creative problem-solving and adaptability. Since launching the institute in 2014, students and staff have contributed over 73,000 hours to more than 1,300 community activities.

Find out more at [nbcc.ca/robertson-institute](https://nbcc.ca/robertson-institute)

## COUNSELLING AND CAREER SERVICES

Our team recognizes that students manage academic, financial, career and personal challenges and we want to assist you in navigating these challenges. From individual chats, community connections, and self-directed online resources, our team is here to support your success. Our team can assist ensuring your program fits with your overall career goals. Reach out, we look forward to working with you.

Find out more at [nbcc.ca/counselling](https://nbcc.ca/counselling)

## LIBRARY LEARNING COMMONS

We have a wide range of resources to help you succeed at NBCC. We offer online databases specific for each school, which contain many peer-reviewed journals for each program, eBooks, films and more for you to use in your assignments and classes. Additionally, we offer guides and instruction to help you write a paper, search for information using databases, learn about plagiarism and citations and more. Our library resources are HyFlex, so you can access supports and services whether you are learning at home or coming to campus.

## STUDENT SUCCESS COACHING

During any stage in your educational journey at NBCC you can reach out to a Student Success Coach for assistance on navigating challenges you may experience as a student. Our Student Success Coaches work to empower students to identify and achieve their educational, personal, and professional goals through coaching sessions and connecting them with resources within and beyond NBCC.

Find out more at [nbcc.ca/first-in-family](https://nbcc.ca/first-in-family)
