How to Apply

Study Permit

As an international student studying for longer than six months, you will need a permit to study in Canada. An entry visa will also be required for most countries. Before you submit a study permit application, you will need:

- A letter of acceptance from ILAC International College with our DLI number (Vancouver - 0110957942277 / Toronto - 019319417742)
- Financial proof that you can support yourself while studying at ILAC International College (tuition fees and living expenses)
- A medical exam, if required
- Biometrics, if required

Please refer to www.cic.gc.ca for more details.

Work Off Campus

Only co-op students need a work permit. All other students can work off campus for 20 hours with their study permit.

Please refer to www.cic.gc.ca for more details.

Co-op Work Permit

If your study includes a co-op or work placement, all international students are required to apply for a co-op work permit as well as a study permit. You must submit the application for a co-op work permit alongside the study permit. This document will allow you to work full time during your co-op work placement and you need to present the permit before your co-op component starts.

Note: If your English is at a lower level, you can take General English classes at ILAC (International Language Academy of Canada) prior to attending ILAC International College programs.

Students are required to bring their own laptop to class. Bring Your Own Device (BYOD) policy at ILAC International College requires students to have a mobile computing device or laptop with access to the Internet and Microsoft Office.

For more details, please refer to our Bring your Own Device Policy (BYOD) outlined in our Policies and Procedures available on our website.

Interview

All students planning to attend ILAC International College are required to join an interview to determine if the chosen program is right for them. The interview will also assess the student's English level and can be conducted in person or virtually.

Before applying, please check program admission requirements.

Step 1

Fill out the application form at ilac.com/apply-now. You will need to upload the following documents:

- Copy of Passport
- Copy of your High School/Secondary Education Diploma

Step 2

After receiving the required documentation, we will send you:

- A link to our FREE online Cambridge English admission test (not required if you provide official English test results such as IELTS Academic).
- A link to schedule a online or in-person interview to make a final assessment of your English level and determine if the program is right for you.

Step 3

If you are accepted in to the program after the interview, we will provide a Letter of Acceptance.

Step 4

Apply for your Study Permit/Co-op Work Permit/Visa, if applicable.

Apply Through a Certified Agent

If you are in contact with an agency in your country, they can support you through the application process. If you don't have an agent but would like us to recommend one that we trust, please contact us at info@ilac.com

*For Toronto Only: if a student completes his/her diploma/degree in a country other than Canada or the U.S., the student must pass a FREE qualifying test (Wonderlic) during application.

Code	Course Name/Length	Description	Program(s)
PPS02	Professional Sales 8 Weeks	Students will develop the fundamental knowledge, skills, and attitudes required to be successful in today's sales environment. Professional selling requires shifting the focus away from the sale and focusing entirely on the customer with a value-based approach. Through this course, students will use customer-centric professional selling techniques. An emphasis is given to developing practical skills in presenting goods and services to prospective buyers using the art of persuasion. Upon completion of this course, students will understand the value and importance of the sales profession to the Canadian economy.	Sales & Marketing 92 52
PPM01	Project Management 8 Weeks	Project management skills are increasingly sought after in today's work-place. No matter what industry or career you pursue, the ability to coordinate timelines, manage resources, and lead projects to successful completion is extremely valuable. This course provides students with practical experience applying the fundamentals of project management from a marketing frame of reference. At the conclusion of the course, students will be able to create a project life cycle, statement of work, work breakdown structure, schedule, budget, & risk management plan. Students will work in groups to make a plan for a real marketing project.	Sales & Marketing 92 52 Business Administration 92 52
SSF01	Sales Fundamentals 6 Weeks	This course focuses on the transferable skills applicable for a wide range of sales environments and the principles of providing exceptional service. Students will study proven techniques for the phases of the sales cycle including product-selling strategies and solutions, partnership building, and buyer behaviour.
