

2023-2024 Applicant

Program Guide

 **MOHAWK**
INTERNATIONAL

Why Mohawk?

We deliver educational experiences that make you future ready.

We have an inclusive environment where everyone is welcome and feels a sense of belonging.

We have dedicated faculty who prepare students for successful careers.

We are a leader in experiential learning.

We have modern spaces that reflect our core values of excellence and innovation.

We acknowledge and respect the Indigenous territories our campuses are situated on.

We inspire students to be the sustainability leaders of tomorrow.

We are committed to building a stronger community.

We  Our Students!

Making connections

Partnership helps you make connections even before coming to the college.

Mohawk International recently partnered with Unibuddy, incorporating the “Ask a Student” feature into our website. This platform enables students from all around the world to be matched with like-minded, current international

students who have gone on the same journey you are beginning to consider. Through the use of a chat option, you can ask questions, get recommendations and begin to feel some trust and confidence around the life-changing decision you are about to make.

These chats allow you to connect with real students who share their experience, whether it’s about their academic journey, working experience, student life or life in Canada. You have the opportunity to make connections even before

coming to Mohawk College. The team of International Student Ambassadors goes through an interview process and are carefully selected based on their educational background and interests, their ability to reply to inquiries in a timely matter and their desire to be part of a team. Since July 2022, over 5000 questions have been answered by our International Student Ambassadors.

Have questions – check us out at mohawkcollege.ca/Ask-A-Student

Your step-by-step guide to becoming a Mohawk student

For international students the college application process has a couple of extra, essential steps. Mohawk International is here to help with personal guidance on how to navigate the process. We are available to you as you plan your educational journey in Canada!

To book an appointment or speak with a member of our International Team, please contact us at intl.representatives@mohawkcollege.ca.

STEP 1 Choose your program

Mohawk offers a wide range of more than 100 programs that open career opportunities for international students.

Pay special attention to the deadlines for competitive programs (indicated with **Q** beside the program name)—those programs have more qualified applicants than there are spaces. You are encouraged to apply for these high-demand programs as early as possible to be considered for the limited number of spaces available.

STEP 2 Apply via Ontario College Application Service (OCAS)

The OCAS International Application Service (IAS) is an online application process that will only take a few minutes. If you need to take a break, your progress will be saved and you will be able to continue right where you left off when you return. Apply online now at mohawkcollege.ca/OCAS-International.

STEP 3 Confirming your Offer of Admission

When you receive an offer of admission from Mohawk, you must then confirm you accept the offer and pay fees before the due date on your letter. This is done online through the OCAS International Applicant portal. Once you pay the required fees and accept your offer of admission you will receive a letter of acceptance that you can use for immigration purposes.

STEP 4 Receive your Letter of Acceptance

If your application is successful you will receive a letter of acceptance from Mohawk College. This letter of acceptance is required for you to apply for your study permit and is the official document for immigration purposes.

Remember to review the document and ensure you fill out all the required steps.

STEP 5 Apply for your Study Permit

With your letter of acceptance, you should immediately apply for your study permit.

Living options to consider

Residence

Live in a fully-furnished suite with a private bedroom and shared kitchenette and bathroom. Our residence has study and social spaces, laundry facilities and an on-site restaurant.

Off campus

New to the Hamilton, Stoney Creek or Mississauga area? There are many community resources that provide housing options online, or come into Mohawk's Student Life office and our staff can help you through the process.

At home

The Homestay program allows our international students a chance to have the extra support of living with a Canadian family. This is a great opportunity to make friends quickly and to learn more conversational English. Canada Homestay Network will help make all the arrangements.

Check out the housing section on the iCent app.

Or visit us at mohawkcollege.ca/WhereToLive

Here to help you pay for college

When it comes to financing your college education, you have important decisions to make. At Mohawk, we're here to help.

Financial assistance options

We understand that a college education is not only an investment of your time but of your finances, too. The Financial Assistance team is here to help you discover the financial assistance options that you may qualify for, including more than 900 awards, scholarships and bursaries. To be considered, complete your MyMohawk Financial Assistance Profile at the start of each semester. Visit our website to learn more at mohawkcollege.ca/Financial-Assistance.

Expand your financial literacy

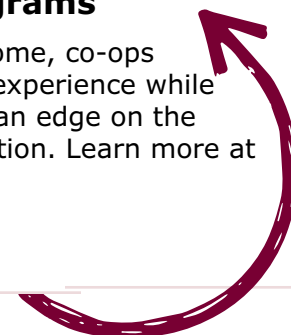

Our Mo' Money Financial Literacy Resource Centre offers tools and resources to help you make informed financial decisions with confidence. Through our events and workshops, you will learn valuable information about saving for school, budgeting, credit use, debt repayment and major purchases. Visit mohawkcollege.ca/MoMoney to access helpful resources.

Earn while you learn

Choosing a cooperative education program allows you to gain experience and earn an income while you're in school. Look for programs that offer a required or optional co-op. Students can also access a wide variety of on-campus employment opportunities each semester.

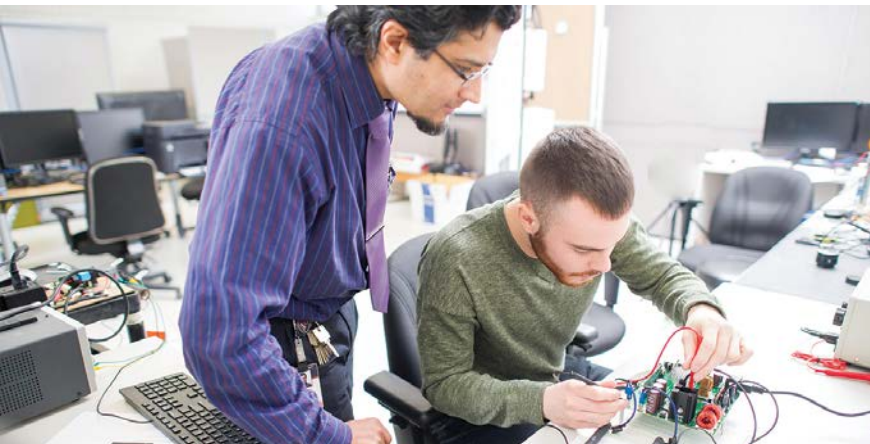

Benefits of co-op programs

In addition to earning an income, co-ops help you gain relevant work experience while you're a student, giving you an edge on the competition following graduation. Learn more at mohawkcollege.ca/Co-op

Choose your program

The following pages offer an overview of our wide variety of programs. We encourage you to visit the program web page to read more about experiential learning opportunities, review the program of study, meet faculty and more.

Co-op to careers transition support

We are dedicated to international students and helping them transition to the workplace in Canada.

Student and Graduate Employment at Mohawk assists students seeking permanent, part-time and seasonal employment. Job fairs, workshops and various events are scheduled throughout the academic year to provide students with the techniques, strategies and opportunities to successfully reach their career goals.

Browse co-op programs at mohawkcollege.ca/Co-op

Here to help

Hussam Eldib

International Student
Career Advisor

Hussam has the privilege of assisting students in identifying and fostering their strengths as they embark on their journey to build a successful career. Having lived in the Middle East and experienced the wonderful cultural differences, Hussam recognizes the value of international students and their positive impact on the Canadian workforce. With the ability to speak Arabic, Hussam hopes to provide some students an option to speak in their native language to better express themselves and their goals.

Languages: English and Arabic

Why employers benefit from hiring our international students and grads

- Strong work ethic
- Diverse knowledge and skills not available in the local labour pool
- Able to fill the demand for skilled workers that cannot be filled by Canadian graduates alone
- Proven ability to adapt to new environments
- Engage a broader customer base
- Ability to aid in creating a culturally diverse organization and representative workforce

Architectural rendering of the welcome desk.

triOS Mississauga Campus

Mohawk College has partnered with triOS College to deliver future ready programs at our campus located in Mississauga, Ontario. This opportunity provides students with a flexible option to learn, work and live in one of Canada's most globally connected and culturally diverse cities.

Mississauga Campus students will receive a quality academic experience, with class schedules that provide flexibility while they study. Students will receive full credit from Mohawk College for all Mohawk College courses completed, and students who meet program graduation requirements will receive a credential from Mohawk College.

View programs at mohawkcollege.ca/Mississauga-Programs

Programs available at our triOS Mississauga Campus in business and technology

- Business (General)
- Computer Systems Technician – Network Systems
- Computer Systems Technician – Software Support
- Global Business Management
- International Business Management
- Office Administration – Health Services
- Supply Chain Management
- Early Childhood Education (starting September 2023)

Something for everyone

In December 2019, Mohawk College and triOS College embarked on a partnership to create an opportunity for students seeking a more flexible school schedule and to have the opportunity to learn, work and live in one of Canada's most globally connected and culturally diverse cities. The Mohawk at Mississauga Campus was launched with over eight programs in business, health, technology and graduate studies, and with three intakes to choose from (September, January and May). Mohawk Mississauga students receive a quality academic experience delivered by triOS and receive a Mohawk College credential.

In September 2022, Mohawk Mississauga welcomed its first intake of students in a fully online environment in order to meet pandemic health guidelines, but allow students the opportunity to pursue their studies and careers. Transitioning out of the pandemic in fall 2022, Mohawk Mississauga welcomed students to an in person learning experience (with some hybrid options) in a newly built campus located on a site adjacent to one of Canada's largest and most prestigious retail and restaurant areas, Square

One Shopping Centre. The shopping centre has something for everyone: clothing stores of all styles, electronics, speciality foods, books and music, health and beauty, dining of all flavours and entertainment.

Mohawk College's newest campus boasts ample space for individual and group study, large and bright lecture halls, state of the art technology, as well as a supportive learning environment that our students expect and deserve. A bonus feature of studying at this beautiful campus is that the program deliveries provide a more flexible school and life balance for those looking for a fixed schedule, so you can better plan for work and school life. The campus itself is in downtown Mississauga, near all the major transportation routes and public transit services – making commutes convenient, quick and affordable for students.

In January 2023, Mohawk College welcomed over 1,600 students to our Mississauga campus. As we grow, so does our pride and dedication to continue to provide a quality and prestigious learning experience.

Take a virtual campus tour!

Experience our learning spaces, labs, and more with interactive 360° content, photos, videos, and stories.

Future ready degrees

Mohawk's bachelor degrees combine theoretical knowledge with the hands-on experience employers want. The benefits of a Mohawk degree include:

- Experiential learning opportunities such as labs, simulations and field placements that are built into the program of study
- Affordable alternative to a degree offered at a university
- Small class sizes that give you more one-on-one time with faculty
- Career-focused programs taught by industry professionals

Mohawk also offers a variety of degree pathway programs, including:

- Pre-Health Sciences Pathway to Advanced Diplomas and Degrees
- General Arts and Science Diploma (University Transfer)

Each program of study has been carefully developed with local industry partners, ensuring that you graduate with the skills you need to be future ready.

Bachelor of Analytics and Data Management (Honours)

Bachelor of Digital Health (Honours)

Bachelor of Technology Partnership: Combined Degree/Diploma

Bachelor of Technology Partnership: Degree Completion

Areas of study

Business

At the McKeil School of Business our approach is both innovative and collaborative so that you gain the knowledge, skills and experience to succeed in the business world.

Page 16

Creative Industries

Taught by talented, highly qualified faculty, you will be immersed in experiential learning and benefit from the many opportunities to fine-tune your creative talents and abilities.

Page 23

Community Services

Train for a career where you will safeguard and improve the communities we live in. Several programs offer a field placement option and we provide assistance with securing your placement.

Page 26

Health

Learn from world-class faculty, practise in our simulation labs and apply your skills in real-world clinical placements. Graduate ready for a rewarding career in the healthcare sector.

Page 28

Skilled Trades

Prepare for your skilled trades career with job-ready training and in-school education at the Marshall School for Skilled Trades & Apprenticeship, located at our Stoney Creek Campus.

Page 31

Technology

Experience state-of-the-art learning facilities and equipment. Graduate with the knowledge and skills that will take you where you want to go.

Page 34

Preparatory Studies

Our preparatory programs help you build a strong foundation for future success to help you meet the admission requirements for your program of choice or gain skills to begin working.

English for Academic Purposes (EAP)

In Mohawk College's English for Academic Purposes (EAP) program, students learn and gain confidence in academic English language skills to succeed in a Canadian college environment. Completing Semester 3 allows students to meet Language Proficiency Requirements for most diploma, advanced diploma and graduate certificate programs in Ontario Colleges.

In 2023-24, we will launch our NEW EAP program to increase opportunities for real-world learning, sociocultural experiences and student success!

- Credits toward your future college program in classes with Canadian students and teachers:
 - General Education course
 - Optional field-specific undergraduate course

- Real-life communication practice through experiential learning, community exploration, workshops, field trips, clubs and volunteering.
- In-person study with TESL-certified professors and with international and domestic students from a variety of countries.

What is your Level?

Students are placed into EAP using standard English test scores and interviews. They are usually placed according to lowest skill to support success. Visit mohawkcollege.ca/EAP for more information on length of study, program courses and fees.

Meet our amazing alumni

Grads share their career journey and advice.

1 "I really liked that Mohawk's nursing program allowed students to complete their diploma in a year and a half compared to the two-year time frame offered at other colleges I researched. I also knew that I would thrive in the interactive hands-on learning style provided at Mohawk."

Paul, Practical Nursing, '18

2 Shortly after applying to Mohawk, Tara connected with Indigenous Student Services (ISS) at the college, seeking their assistance with OSAP applications, registration and more. "They helped me with the whole process and explained things to me a lot better than what I could find on my own."

Tara, Social Service Worker, '20

3 "I took an automotive class in high school, and my teacher recommended I try a co-op placement at KF Aerospace. From my experience, I learned I really enjoy working on aircraft. I had also heard great things about the program at Mohawk. Those two things ultimately led to my decision to attend Mohawk."

Ashley, Aviation Technician - Aircraft Maintenance, '15

4 "Study hard in school, but also take time on your own to study other things that aren't covered in school. IT is such a huge topic that a single program cannot cover everything. I had a co-op term with IBM, which allowed me to network and build relationships.

Ultimately, that co-op term was what enabled me to get a job at IBM after graduation."

Darius, Computer Systems Technology - Network Engineering and Security Analyst, '19

5 "I knew for a long time before that I had an interest in [photography]. My mom would always say I had the eye for it. In high school I noticed that it was the one thing I gravitated towards, and really put effort into."

Daniel, Creative Photography - Still & Motion, '17

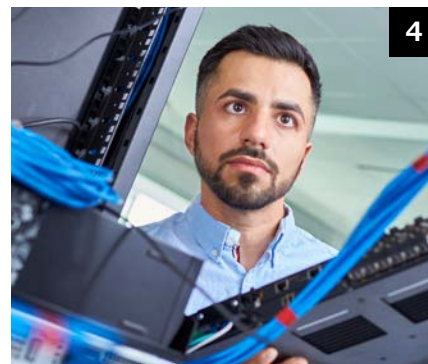

Career preparation

We're here to help students and alumni at all stages of career development. Career Advisors and Coaches provide resume and interview assistance and help connect students with employers through networking events and job fairs.

6 “Mohawk was a defining moment for me. Yes, the program was challenging, but it prepared me for my career and exposed me to the many aspects of computer engineering and automation that I love today.”

Racheal, Computer Engineering Technology, '21

7 “There are a lot of different opportunities in welding. Don’t ever stop asking questions. Continue to challenge yourself. Be open to learning new things, because you’re never, ever going to know everything about your trade. That’s the key thing about being a tradesperson,

there’s so much to learn, and I keep learning every single day to be the best I can be.”

Kaylyn, Mechanical Techniques (Welding and Fabrication), '15

8 “Before studying at Mohawk, I didn’t know anything about drawing. My drawing skills were stick men. Mohawk taught me how to draw, considering things like perspective and the principals of drawing and design.”

Lávio, Animation 3D, '21

Plan for Success

We've joined forces with leading employers in the Hamilton region to create the Future Ready Premium Employer Program, a partnership designed to actively engage industry and community partners in the training of job-ready college graduates.

Your college experience

Your time at Mohawk is your personal journey of growth, learning and discovery. You'll gain knowledge and skills and develop relationships that can last a lifetime.

Here to help you feel supported

From orientation to graduation, Mohawk offers services and activities to help you get the most out of your education and prepare you for your future career.

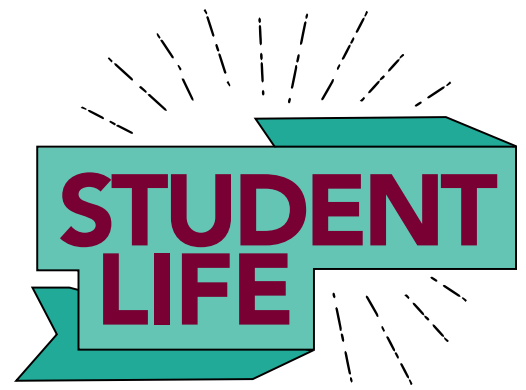

A community just for you

Once registered as a student you are part of the Mohawk Students' Association (MSA)—your built-in best friend on campus. Learn more at mohawkstudents.ca and follow the MSA at [f](https://www.facebook.com/MSAMohawk) [@](https://www.instagram.com/MSAMohawk) /MSAMohawk.

Get involved and make a difference

Student Life fosters meaningful relationships and personal development by providing students with intentional experiences and programs in a fun, inclusive learning environment.

Co-curricular Record (CCR)

Beyond your academic achievements, your time here at Mohawk College will be filled with opportunities to join, pitch in, lead, manage, participate, communicate, negotiate and volunteer.

Use your CCR to track experiences not related to your program of study, and share it when applying for jobs, awards and scholarships, and to build your resume.

Student Leadership

Within every student is the potential to be a great leader! Explore, discover and master your capacity for leadership. Gain greater insight to your leadership potential by developing the skills, attitudes and knowledge bases needed for success as a leader both at and beyond Mohawk.

Students are invited to join MoCrew and take part in leadership opportunities, retreats, and pop-up programming.

First Year Experience Program

The First Year Experience (FYE) Program at Mohawk supports your transition to college life! New students can opt into the program to get sorted into an FYE House with other first-semester students in their faculty. FYE Houses are lead by upper-semester FYE Leaders who will welcome you to our community and help connect you to the college as you dive into semester one!

Campus to Community

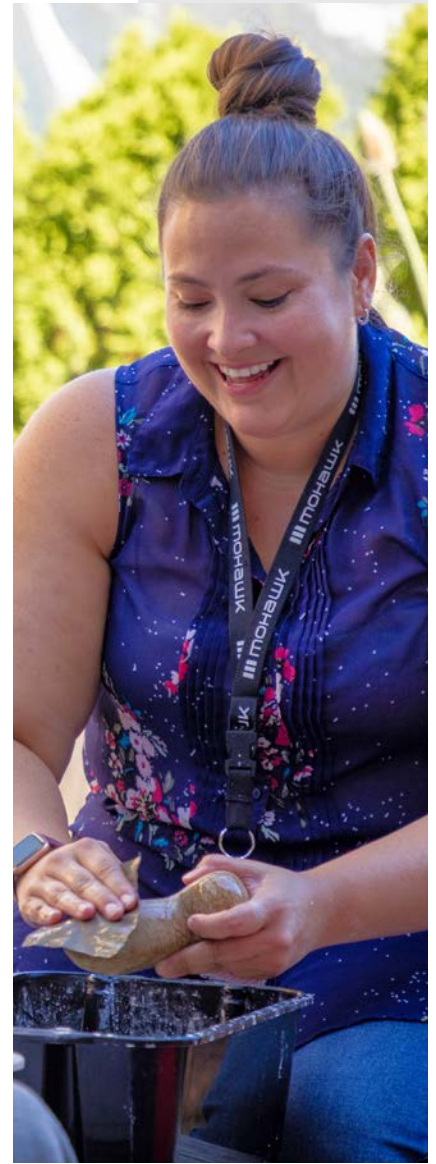

Campus to Community works in partnership with eighteen organizations throughout the Hamilton community to create meaningful volunteer opportunities for our Mohawk students. Students are encouraged to join a volunteer team to work with other students to make meaningful contributions to local organizations.

Learn more at mohawkcollege.ca/StudentLife

Bertha Skye, Elder-in-Residence

Indigenous Student Services

Services and supports for Indigenous students include having an Elder as a resource, peer tutors, cultural workshops, student success activities, job postings and access to bursaries and scholarships. If you are an Indigenous student applying to Mohawk College, we invite you to complete a self-identification form found within MyMohawk. Learn more at mohawkcollege.ca/Indigenous.

2+2 TRANSFER OPPORTUNITY

Start with a college diploma, finish with a university degree

Unlock pathway options to an **Indigenous Studies degree program** at McMaster University or Wilfrid Laurier University with the two-year General Arts and Science Diploma program. Students may complete a college diploma and university degree in four years.

Graduates of Mohawk's two-year General Arts and Science Diploma who complete the eight Indigenous Studies courses within the program and maintain a cumulative GPA of 75%, are eligible to apply to:

- McMaster University, Faculty of Social Sciences Indigenous Studies major
- Laurier Brantford, Bachelor of Arts (Honours) Indigenous Studies combined major

Learn more at mohawkcollege.ca/208.

Equity, Diversity and Inclusion

Creating safer, respectful, equitable and positive environments for all students

Social Inc. is a space that welcomes and supports students by embracing and implementing an intersectional, anti-oppression framework to promote human rights, equity and inclusion, and through our work to identify, prevent and eliminate all forms of discrimination within the college community. Students can drop in to have group discussions, socialize, relax and complete homework. Social Inc. hosts events and activities to celebrate the diversities of all students and raise awareness of and address the inequities and systemic barriers that impact underrepresented and underserved groups. Connect with us at mohawkcollege.ca/Social-Inc.

The **Student Rights and Responsibilities Office** is here to help students understand and navigate school policies, address student behaviour concerns, address human rights complaints, obtain assistance with conflict resolution or access supports and services. Contact srro@mohawkcollege.ca.

Our **Sexualized and Gender-Based Violence Education and Support** team supports the work of the college in preventing and addressing sexualized and gender-based violence and promoting the support services available to all college community members. Contact SV-GBVSupport@mohawkcollege.ca.

Sustainability at Mohawk

Learning. Living. Leading.

We are proud to be the first college in Ontario to introduce an environmental management plan that sets bold carbon reduction targets in areas such as energy use, transportation and waste management. Since the start of the plan in 2007 Mohawk has reduced its direct carbon emissions by 63%.

Mohawk offers more than 30 activities and initiatives dedicated to increasing the sustainability of our campuses and providing learning opportunities for students.

Learn more and find out how you can get involved at mohawkcollege.ca/Sustainability.

Mohawk is home to an on-campus community garden where student groups can grow fruits and vegetables.

Athletics and Recreation: taking education to new heights

Mohawk offers 10 competitive high-performance sports teams and a wide range of recreational activities for all levels. Athletics at Mohawk are built on four Mountaineers Performance Indicators: Academics, Podium Relevance, Community Impact and Leadership Development.

The David Braley Athletic & Recreation Centre at Fennell Campus is Mohawk's athletics and recreation hub. Students have access to the fitness centre and the nearly 20,000 square foot triple gymnasium. Recreational opportunities include extramurals, intramurals and drop-in activities. The Stoney Creek Campus also provides a fitness centre.

Learn more at MohawkMountaineers.com and follow us on social.    

Mohawk Mountaineers women's volleyball team captured Silver during the 2022 OCAA Championships.

Language & Culture Centre

The Language & Culture Centre (LCC) is Mohawk's year-round destination for events, conversation, a quiet space (sometimes!), student success workshops and cultural celebrations. A great place to meet a friend or to make one. Drop in to socialize, meet with staff, sign up to volunteer, meet a Peer Mentor, inquire about EAP programs and more. Everyone is welcome at the LCC – and that means you!

We've always promised there is more to Mohawk than classes, and at the LCC, we prove it. For event listings and more information, visit mohawkcollege.ca/LCC.

The Language and Culture Centre (LCC) is...

- the community hub for international diversity
- where you will find a variety of cultural and language supports
- a group of experienced, friendly and multicultural staff who will help you adjust to your new life at the college and in your new community of Hamilton
- a comfortable environment where you will find an exciting blend of cultural activities, international celebrations, social interaction and community involvement
- your home away from home

Embrace international culture

Our Language & Culture Centre hosts cultural and social activities and celebrates diversity through cultural festivals on all campuses and in Hamilton's community. Mohawk welcomes students from more than 90 countries. This hub at Fennell Campus helps international students make a successful transition to Mohawk, as well as make friends and gain leadership skills.

seven craft breweries and one cidery to discover.

25% of Hamilton's residents were born outside of Canada

Lower cost of living compared to major cities in Canada/Lower house rental cost

Lower unemployment rate

Top employers in Hamilton

Labour Force: 438,900

Proximity to Toronto and nearby cities

Why Canada?

Canada has ranked #1 overall according to the 2021 “Best Countries in the World”.

Top three reasons international students choose Canada:

- 1** Canada’s reputation as a safe and stable country

- 2** The reputation and quality of the education system in Canada

- 3** Canada offers a society that (generally) is tolerant and not discriminatory

For more information please visit educanada.ca.

Canada Quick Facts

Canada’s reputation as a safe and stable country

69.5%

The reputation and quality of the education system

72.5%

of international students plan to apply for a post-graduate work permit

60%

of international students plan to apply for permanent residence in Canada

135%

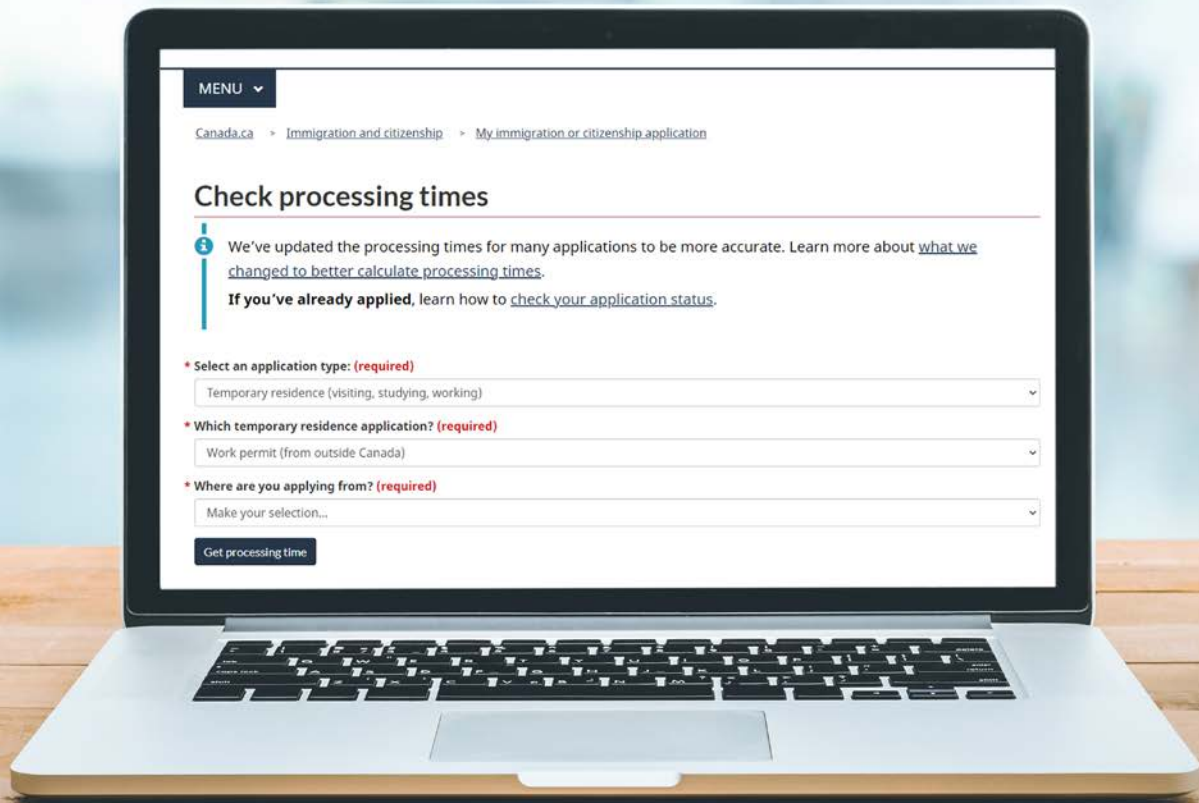

increase in international students in Canada 2010-2020

642,000

international students: Canada now ranks 3rd globally in foreign student attraction

International co-op work permit

- If you are an international student and enrolled in a co-op program, you are required to have a co-op work permit before you start your work term. The co-op work permit will allow you to work if it is an integral part of your program and is for credit.
- As an international student, you are strongly encouraged to apply for a co-op work permit as soon as you receive confirmation of your acceptance into the program as it may take up to 6 months for processing times.
- You can check estimated processing times for co-op work permits, but be aware that these times are not guaranteed and are updated weekly.
- Note: When checking processing times, please choose “Temporary Residence (Visiting, Studying, Working)” on the first page and “Work Permit Extension (New Employer)” on the second page.
- Visit Studying and working in Canada as an International Student to begin your online co-op work permit application.

Land Acknowledgment

Mohawk College derives its name from the Mohawk Nation, one of the Six Nations of the Haudenosaunee Confederacy. The Confederacy marks a union of peace and friendship, and Mohawk College honours that union by recognizing the Six Nations of the Grand River and the Mississaugas of the Credit First Nation.

We acknowledge that the territories on which Mohawk College and its campuses are situated are governed by the Between the Lakes Treaty, the Dish with One Spoon Wampum Agreement and the Upper Canada Treaty Agreement. These agreements are binding to this day and represent our mutual commitment to maintain healthy, reciprocal and respectful relationships with the many Indigenous nations and peoples of this area. We acknowledge this and iterate our dedication to inclusivity, to friendship and to valuing the ongoing contributions of Indigenous peoples and communities.
